## OUTDOOR SCHOOL NEWS

Dear Parents,

As you know, we are scheduled to go to Outdoor School from March 29 to April 3. I will be the supervising teacher. I am sending the packet of information home today. Please set aside time to read the information carefully and to fill out the important forms (health history—white; student behavior—salmon). You can find additional helpful information at [www.mesd.k12.or.us](http://www.mesd.k12.or.us). The forms are due on Monday, February 23.

The costs of Outdoor School are \$100.00 for Multnomah County residents (county of residence is determined by your home address) and \$298.00 for non-Multnomah County residents. (The lunch fee mentioned in the introductory letter is covered by St. Ignatius.)

Please turn in a check made out to St. Ignatius School by February 23. Financial assistance is available; please contact Mr. Matcovich.

We will leave on Sunday afternoon and return on Friday afternoon. Departure and arrival will be at Creston School on S.E. Bush Street. I will inform you later of the specific times.

Camp Namanu along the Sandy River is our site. It is a great location. You will have an opportunity to visit the site on Sunday, March 15 from 4 to 6 PM. I will send home further details about this Open House and a map closer to this date.

Our site supervisor will be visiting our class and presenting a slide show on WEDNESDAY, FEB. 18 in the classroom

from 9:00 to 9:50. Please come if you can.

Outdoor School will be a wonderful, "hands-on" learning experience for the students. The Outdoor School staff is very experienced and has many exciting activities planned.

If you have any questions or concerns, please don't hesitate to call me or send an e-mail.

As always, thanks for your support.

Sincerely,  
Mrs. Turvey
