Teacher Development  
&  
Progress Reports go  
home  
&  
NO MAD SCIENCE

**January 28**

Open House 9am

Dear Parents,

Please keep Sr. Chris and her family in your prayers. Sr. Chris' younger sister passed away unexpectedly last Friday, and this has been a very difficult time for the family. We have appreciated having Mrs. Plass with us this week as a substitute in the fifth grade classroom. Please join us in sending our love and support to the Jordan family.

Congratulations to Joe who is St. Ignatius' representative at the state level to the 2010 National Geographic Society's "Geography Bee" competition. Joe took first place among 10 contestants at our school-wide competition, held at an assembly on Monday. Joe will now take a written exam on U.S. and World Geography, and top scorers will qualify for the state finals. Thank you to all our Geography Bee contestants, and best of luck to Joe as he represents our school at the state level.

Do you know a family who might be interested in attending St. Ignatius School? We've included one copy of our Open House invitation in today's parent envelope, and ask each family to share this with a friend, neighbor, teammate – anyone you feel would be interested in learning more about our school. The Open Houses are scheduled for January 28<sup>th</sup> and 3<sup>1st</sup>, so please get these out right away. If you have more families you'd like to invite, just call the office and we'll send additional invitations home to you. If you would also like a few posters and brochures to post at nearby preschools, coffee shops, etc., we can provide those, too.

Last chance for input on the proposed Uniform Guideline changes for next school year. Please email your comments to Mr. Matcovich over the weekend if you want them included in the final review process. The proposed guidelines went home with last week's Ignatian, and also by email. Thank you to those individuals who have already shared their comments.

Today was Mrs. Schneider's last day at school as she begins her maternity leave. We wish her a safe delivery, a healthy and happy new baby, and many years of joy ahead for her family! Welcome back to Ms. Schultheis, who will be our first grade teacher until Mrs. Schneider returns in April.

*John*

## A special THANK YOU

to all those  
volunteers who  
helped on Tuesday  
with the Vision and  
Scoliosis Screenings.  
We could not have  
done it without YOU!

## School Store is now OPEN

### Store Hours

**Tuesday: 3:10—3:20pm**

**Friday: 3:10—3:20pm**

## Campbell's Labels for Education and Box Tops Update

Great job St. Ignatius Families — the library just received a check for almost \$300 from the Box Tops for Education program keep clipping and bringing in box tops and labels! Encourage family and friends to help too!

Campbell's is offering us 250 Labels for Education Bonus Points for **every** Fred Meyer Reward's Card customer who registers their card online for St. Ignatius School between January 3rd and February 2nd, 2010 and then purchases 10 participating products in a single transaction.

Please register at [www.elablesforeducation.com](http://www.elablesforeducation.com) and purchase 10 participating products (Campbell's, Pepperidge Farms, etc.) to earn these bonus points before February 2nd. Even if you do not purchase 10 products in one transaction, we can still get points for all Campbell's products purchased at any time using your Fred Meyer Rewards card.

St. Ignatius continues to enroll students all throughout the school year. Please help spread the word about our great school to friends and neighbors.

For any current school family that is responsible for recruiting a new family, we will waive your \$350 Fair Share commitment for one year. Who do you know who would benefit from St. Ignatius' combination of top-notch academics and rich faith tradition?
