Dear Parents,

When school starts it will be time to replenish your child's emergency packet that we keep on hand in case our students must remain at school for a prolonged period of time. Each classroom has an emergency backpack that contains these individual supply kits for each student, as well as general emergency supplies for the class as a whole (first aid supplies, flashlight, etc.). Each time we have an emergency drill, this pack is taken outside with the class.

Please send the following items to your child's teacher on the first day of school. For new students, you will send all of the items on the list sealed inside a large Ziploc bag. For returning students, you will send in the perishable items marked with an asterisk (*) and we will add these to your child's Ziploc bag that stayed here over the summer.

- 2 individual-size sealed bags of jerky (*)
- 2 granola bars or similar snack (*)
- 4 candy suckers (*)
- 5 individually wrapped hand wipes
- 1 pocket sized pack of tissues
- 1 packaged, small space blanket (in the camping supply aisle)
- completed emergency information card with family picture

New families will find the emergency information card attached, and you will glue/staple a family picture (parent(s) and child) onto the back of the card. This photo could be a help in releasing your child to you after an emergency if he/she is with a staff member who does not know your family.

Please Note: we must have an emergency kit for every child. Don't assume that supplies sent by others will support your child. And please limit the items you send to only the items / quantities listed above.

We hope these emergency packs will never be needed, and that having them at the ready will give you some peace of mind knowing that we are prepared to care for your child in the event of an emergency.

Sincerely,

John Matcovich
