Dear School Families,

ALOHA! Before we head into winter, come and celebrate the warmth of the Islands and our school community at the St. Ignatius School auction! This is a fun and important night – we look forward to seeing you there! Sat., Oct. 21 4:30-9:30. Buy tickets on our website: sipdx.org.

This past Wednesday, we celebrated Mother Marie Rose at an all school mass. The foundress of the Sisters of the Holy Names of Jesus and Mary reminds us that we are all companions on the journey to meet the challenges of life. We are so grateful for the legacy of the sisters, the founding order of our own parish school!

The Holy Names sisters are committed to the “development of the whole human person” and social justice. That legacy continues today with a strong spirit of service and commitment to a broad program that includes the arts, PE and technology. Our fifth graders served meals on wheels this past week and the 8th graders began their work with Transition Projects.

For the next two Mondays, (Oct. 16 and 23) I will meet with parents to overview school direction and hear feedback as the new principal. If you are a St. Ignatius parent, please join us on one of the Mondays, 6 p.m., in the school library.
